

Technical Data Sheet

WEJA Dyeing Set No. 1400 - 1499

Application range	Dyeing of textiles made from wool, silk, cotton, linen and hemp.	
Technical qualities	Good light fastness, good fastness to rubbing. Skin-friendly.	
Full declaration	Depending on color and textile quality: Mixture of plant parts or extracts, animal components (only in color Lac-red) inorganic salts, conditioners (water, nonionic amphoteric and anionic surfactants on the basis of natural oils, glycerin, sodium citrate).	
Color	1400/1410/1490 Mango 1402/1412/1492 Lac-red 1404/1414/1494 Catechu russet 1406/1416/1496 Elderberry blue 1409/1419/1499 Anthracite	1401/1411/1491 Mignonette Yellow 1403/1413/1493 Nut brown 1405/1415/1495 Madder apricot 1408/1418/1498 Indigo blue 1420/1430/1470 Olive green
Application method	In a pot or washing machine. Please note the dyeing instruction!	
Important notes	<p>P102 Keep out of reach of children.</p> <p>The safety instructions may vary depending on the color.</p> <p>Plant residues are compostable. Blended fabric cannot be dyed homogeneous with plant dyes, since the color affinity of the single fibres is different.</p> <p>Not suitable for ready-made textiles.</p> <p>Discolorations of rubber and PVC parts of the washing machine as well as bathtubs (if used) are possible. These can usually be removed with 10% soda solution (in case of a washing machine, the amount of soda must be adjusted depending on the model / washing program). Foaming may occur during dyeing with Catechu russet, Madder apricot and Mango. This does not affect the color quality.</p>	
Disposal	According to locally regulated laws.	
Container sizes	Set with 50g, 250g, 1000g.	
Storage	Cool and dry. Shelf life: unopened at least 5 years.
