

Technical Data Sheet

DRYADEN Polish No. 560

Application range	In the interior, for oiled, sealed and varnished surfaces. Not suitable for cabinet interior surfaces.
Technical qualities	Maintaining and refreshing. Removes slight soiling and gives a subtle shine. Free of organic chemical compounds according to DIN EN 71 part 9.
Full declaration	Isoaliphates, linseed oil, linseed oil - stand oil - natural resin ester, linseed oil - stand oil, orange oil, dehydrated amino sugar and drying agents free of lead (Mn, Zr).
Color	Clear to slightly honey-coloring. (Gardner color index: approximately no. 5)
Application method	Drop some Polish on a cloth and apply sparingly, i.e. very thin, with wood in the direction of the grain. The area shall no longer be sticky, otherwise apply again a few drops on the surface and polish until it is no longer sticky. For heavier soiling allow the polish to react for 10 – 20 minutes, remove dirt and apply sparingly afterwards.
Coverage	Determine the exact amount needed by doing a test application. 1 liter (1.06 quart) is sufficient for approximately 100 m ² (1076 ft ²), i.e. 10 ml/m ² . The coverage can be considerably higher, depending on the condition and absorbency of the surface.
Drying time	At 23 °C (73 °F) and 50% relative humidity: approximately 2 to 8 hours.
Specific gravity	Approximately 0.81 g/ml
Safety advice	<p>Before use, try it on an inconspicuous area. Possible incompatibilities are e.g. unpleasant odor or a milky appearance of a varnish. On white surfaces yellowing may occur.</p> <p>Always be sure to store cleaning cloths, polishing pads, sponges, etc. that are still wet or even slightly moist with DRYADEN Polish No. 560 in an airtight metal container or in water until their disposal, as there is a danger of spontaneous combustion caused by the plant oil content. The liquid and applied product itself will not combust spontaneously.</p> <p>H304 May be fatal if swallowed and enters airways. H413 May cause long lasting harmful effects to aquatic life. P102 Keep out of reach of children. P301 + P310 IF SWALLOWED: Immediately call a POISON CENTER/doctor. P331 Do NOT induce vomiting. P405 Store locked up. P501 Dispose of waste according to applicable legislation. EUH208 Contains limonene (orange oil). May produce an allergic reaction. Hotline for allergy sufferers: +49 (0)5825 / 8871.</p>
Disposal	According to locally regulated laws.
Container sizes	0.1; 0.25 l; 0.75 l.
Storage	Cool and dry. Shelf life: unopened at least 4 years.

Danger
