## Color sample

# CANTO Natural Matt Paint No. 692

Ordner No.: 1295 · Stand: August 2019

### Color for wood

CANTO Low Gloss Paint No. 692 is having a good opacity, a high yield and can be used for all wooden surfaces in the interior. Exceptions are merely walking ways. The final gloss level is reached after about 10 days.

CANTO creates an elastic surface which is limited in its chemical-, abrasion- and scratch resistance. The mat paint complies with the German Industrial Norm fast to perspiration and saliva as suitable for toys.

CANTO Low Gloss Paint is at present available in twelve different colors of which samples are printed on the back.

For more information, in particular on the appropriate LIVOS primers, please refer to the Technical Data Sheet which can be found on our website: [www.livos.co.uk](http://www.livos.co.uk). Do you need a personal consultation or do you have questions about our products? Then contact us via our hotline: **+49 (0) 5825-8830. Hotline: +49(0)5825-8830.**

### Processing note

CANTO Low Gloss Paint is applied undiluted with a roller or a brush and can diluted be used for spraying. This application should be on a dry surface and at room air temperatures above 15°C (59°F). The surfaces should be pre-treated with DUBNO Penetrating Priming Oil No. 261. Depending on the temperature, the moisture content and the thickness of the applications, the first coat can be re-coated after 24 hours of drying time.

### Coverage

**1 liter:** For 10 - 16 m<sup>2</sup> (107,6 – 172,16 ft<sup>2</sup>) per coat, i.e. 77 ml/m<sup>2</sup>. with the first coat, i.e. 100ml/m<sup>2</sup>.

The consumption could be considerably more economical depending on the condition and absorbency of the surface. Always do a test application! Each dried coating may not exceed 40 µm.
