Preparation	Apply cream to dry skin (not necessary on normal or oily skin). No greasy film should remain visible on the skin.					
Application	Apply fine lines of desired motif with a cloth-wrapped pencil for contouring, and then use a wide brush to fill in-between areas. To mix different colors, apply each color separately very thinly with a brush, and one on top of the other. The color has a semi-transparent effect when mixed with some oil. Clean the brushes with salad oils such as sunflower oil.					
Removal	With soft cloth, cotton pad or cotton ball and salad oil or greasy skin cream.					
Important tips	Please protect clothing. Make-up spots are difficult to remove. Attention: Use under direct adult supervision.					
Disposal	According to locally regulated laws.					
Container sizes	Set of 12.					
Storage	Cool and dry. Shelf life: unopened at least 2 years.
