Container sizes	0.5 l; 2.5 l; 10 l.
Storage	Cool, dry, frost-free and close lid tightly after use. Shelf life: 24 month. Protect from direct sunlight. Always store in an upright position.

How to use

FUNGIVER Mould and Mildew Remover No. 1780

Safety advice

Do not inhale aerosol.

Mould can be harmful, therefore the following precautions are necessary (also on smaller areas):

Wear dust mask (e.g. P3) against mould and their spores in the air.

Protective suit, protective gloves and safety glasses to avoid skin and eye contact.

Additional information

In case of large-scale mould infestation and/or suspicion of hidden mould, please contact an expert e.g. building biologist or specialized company for mould remediation.

The cause of the mold must be eliminated for lasting success.

Do not store in metal containers. In case you do not use the supplied spray bottle (0.5 l), make sure that no base metals such as brass, copper, etc. are contained.

These directions are the result of long years of research and practical testing. They are backed by our most current expert information. New findings may invalidate this information.
